T. N. Pfeffer Esq

Submit the following report for Tuesday the 28 day of Sept 1926.

The only excitment to day was the visit You and your party made during the forenoon and after dining at Hotel, the reporter who took flash light was one of the "Mirror" men, and to say the least this Paper as well as this reporter informed me they are most bitter against our defendants, and he intended to every time to use flash light in taking pictures of Mr. H. and others.

Now Reporter "Daniels" with other reporter who rode to New Brunswick with Mrs Hall, returned at 4.40 P.M. and all reporters were waiting on him, like Ranger wolfs, I shall repeat this. Most of his story to all reporters as follows.

1st Mrs Hall done the driving saying she was not an expert among the traffic in Bound Brook & must hit them slightly but Mrs Hall called out to Driver saying everything was alright. "Daniels" said she certainly was very Cool &c. Here are some of the ? asked by "Daniels" & Mrs H's answers, Could not write down but kept in mind most of them.

a- I do not think so.
Q- What does Willie think of being confined in Jail
a- Well it is rather a bore to him.
Q- what do you think of the laws here
a- I am an American and Still am but always thought this a free Country (or words to that effect meaning the same)

"Daniels" stated to reporters it was hard to get her to talk as she had to watch the traffic while Driving Her Chauffer sat in back seat, so there for from his Conversation I take for granted he sat in front seat with Mrs A. when they arrived at the house she informed him she had to attend to some duties and asked to be excused and said she thought he could not ask any more questions, and she at all times told the truth, and could say no more; Daniels told reporter that Fred Hall another Reporter had followed them to the house in his Car, I missed a few answers & questions but kept me mind the ones

I thought would be of interest to You & Yours. to correspond what she actual did say.

I also learned that Underwood had made appointment with reporters for 4 PM as he was to have 2 or 3 witnesses at Headquarters when they went their at 4 P.M; was informed Underwood had gone to Jersey City at 3.10 P.M. Some loud hollowering went on.

Nothing else new, no witnes was examind today Sir.
